PRINCIPAL'S MESSAGE

To accomplish our goals often seems hopeless in a world of confusion and high complexity. However, one can establish a few guidelines which may help one stay on course.

First, clarify and prioritize your goals. Some people never move beyond this point and continue to oscillate from one goal to another, without ever accomplishing their first goal. Others consolidate all their goals into one goal "getting out of school" without ever maintaining some of their long-term goals such as "broadening our educational experiences so we can accommodate the fullest involvement in life's challenges".

Secondly, establish a security-base from which to attain your goals. The greatest security-base anyone can develop comes from a sense of self-confidence and knowledgeable understanding (education) of one's physical and humane environment.

Thirdly, become a "doer" rather than "verbalizer" or "observer". Doing is the process of becoming constructively productive while attaining one's goals. This striving-doing spirit must be kindled in an environment of humble understanding, if we are to progress in unison with a civilized society.

In conclusion, with your goals set high, strive for them and attain a life of happiness and fulfillment which is so rightfully yours.

MASTERED AT EASTGLEN

WRESTLING

This year's Wrestling Team enjoyed an extremely successful season. Under the coaching of Mr. Prokop, James Kay, Jim Martin, Gord Bezenis, and the sponsorship of Mr. Steele, the team finished second in the Novice Division and fourth in the Open Class for City High Schools. In the City Novice Championships Rocky Druar, Kevin Lubert and Scott Staples captured Gold medals; Phil Taylor, Kevin Cunningham, Craig Hamaluik and Rob Bradley won Silver medals while Clayton Erickson, Duncan Murie and Quentin Bochar received Bronze medals. In the Open Championships Scott Staples won the Gold; Dennis McDonald and Kevin Lubert - Silver; and Rocky Druar and Phil Taylor - Bronze.

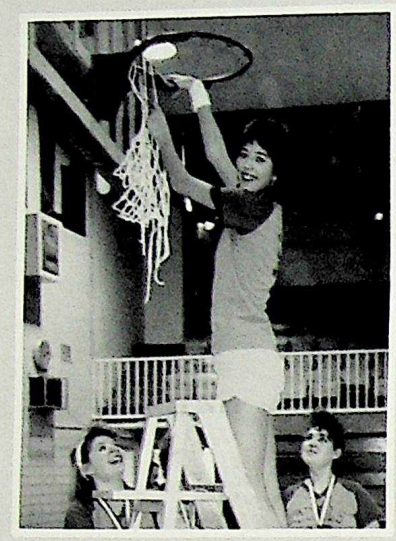
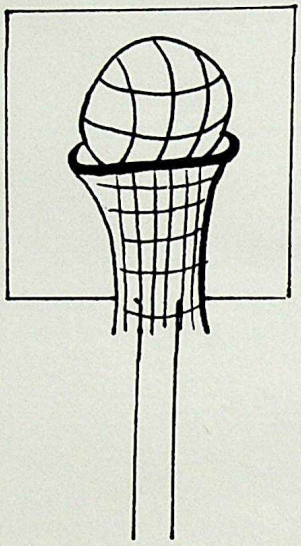
The Junior Boys had a very successful season finishing 3rd in the Premier Conference. The team did very well in the playoffs before losing out to Queen Elizabeth in the City Championship semi-finals. The boys are looking forward to continuing their hard work and winning ways when playing Seniors next year.

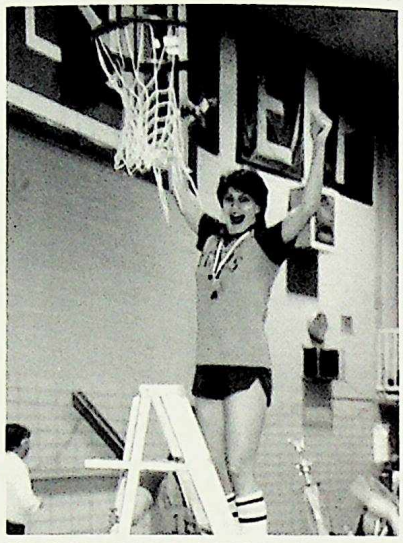
JUNIOR GIRLS

Team members: Daina Koska, Theresa Tsoukalas, Diana Loehde, Helen Poon, Nadine Robinson, Nichelle Romanyshyn, Wendy Fayant, Maria Dame, Luan Tran, Carey Saprunoff. Coaches: Dennis Glasgow and Marjorie O'Connor.

EASTGLEN; HAS ONCE MORE GONE THE DISTANCE . . .

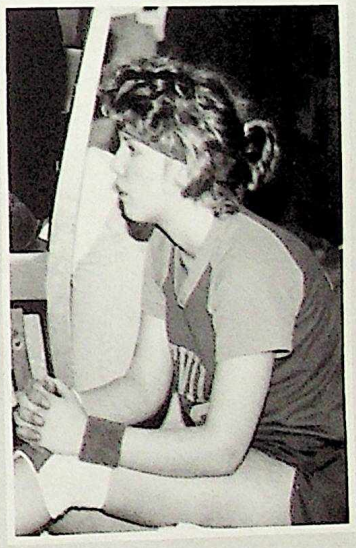






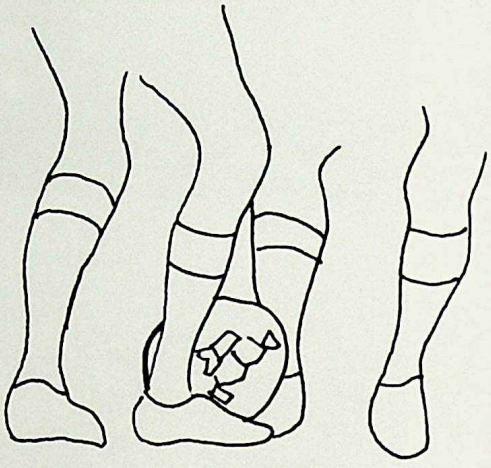
You're the tops!

THIS TIME IN GIRLS BASKETBALL



Who would have ever thought a team finishing last place in 1985 would go on to win the City Championship in 1986! Five returnees, Daina Koska, Theresa Tsoukalas, Diana Loehde, Helen Poon and Nadine Robinson were driving forces, but those first year players were an asset. Their hunger for a championship made the vets work even harder. Thanks goes to the coaches Dennis Glasgow and Marjorie O'Connor for keeping the girls' spirits high and alive. Eastglen is looking good and these girls are ready to prove Eastglen is a winning school.

BOYS SOCCER



SENIORS

After a very good start, the 1986/87 Sr. Boys Soccer team faltered in three of their last four league games to end up with a league play record of 3 wins, 3 losses and 2 ties. In playoffs they won the first round, only to lose the semifinal match to Harry Ainlay. The team ended the year with an over-all 50-50 win/loss record. All team members and fans enjoyed an interesting and often exciting season.

MEMBERS: Josh Amenu-Tekaa, Dave Baxter, Quentin Bochar, Narinsak Boranprasit, Gary Campbell, Hung Luong, Paul Pandur, Curtis Popik, Rakesh Prasad, Darren Pruski, Rob Rae, Brian Stephenson, Chi Tran, Jim Tran, Steven Yeen, Martin Willoughby, Dwayne Wilson, George Waselenchuk, Moe Amerey. COACH: Mr. Curtis.

JUNIORS

The Eastglen Blue Devils had a tremendous season, most likely the best performance ever in the school's history. The junior boys played solidly defensively, led by the brilliant play of goalkeeper Alex Salterelli. The midfield, probably the most crucial area in deciding a game's fate, was consistently controlled by Kory Williams and his unit. The Blue Devils compiled a 6-1-1 win/lose record over the season, scoring 72 goals for, and allowing only 12 against. Much of that offensive power was supplied by Jeff Carr, the league's leading scorer. Together, the rugged combination defeated Harry Ainley in the quarter-finals of the Premier Championship by a score of 2-1. The competition grew tougher in the semi-finals, but the Blue Devils were triumphant over Salisbury by a 1-0 margin.

St. Joseph's was the other Premier Division finalist, and the game proved to be a classic. With only 10 minutes left in a hard-fought confrontation and the score deadlocked at 1-1, the Devils burst for a three-goal effort making the final score a decisive 4-1. Congratulations, guys, from the entire school and staff, and special thanks goes out to coaches John Toews and Greg Maluzynsky.

VOLLEYBALL

SENIOR BOYS

The senior men's team finished the season with five consecutive match victories and ended up third place finishers in the city division (11th overall). In city division play-off action the men crushed their first round opponents, but lost in the semifinals to Jasper Place. Next year the team has all the appearances of being even stronger!

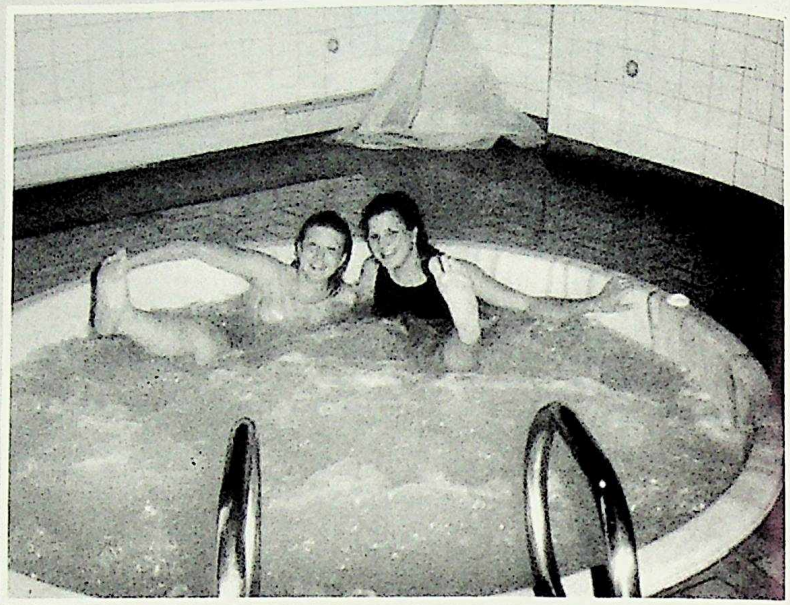
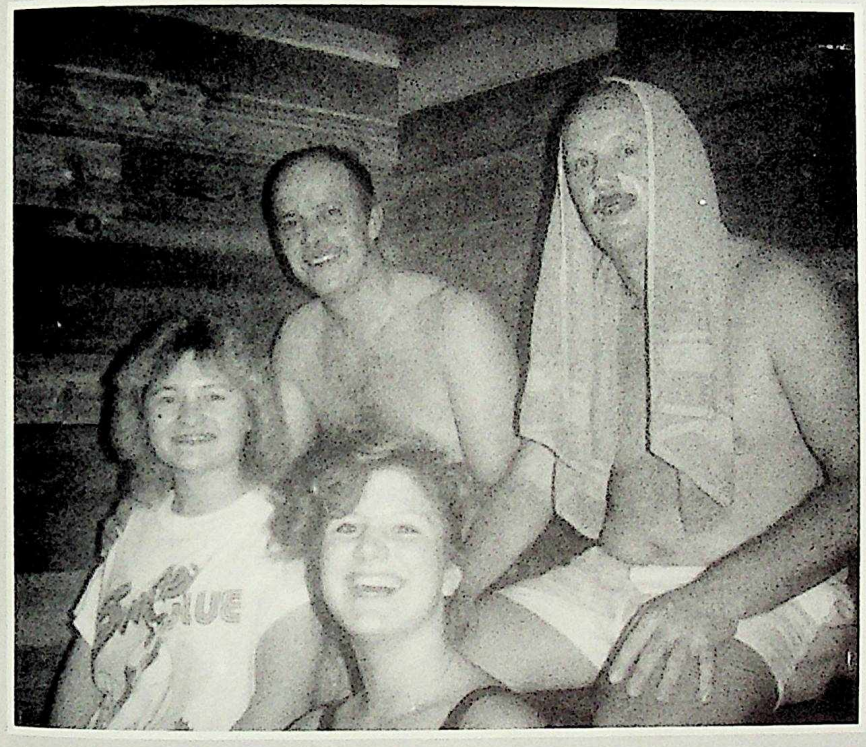
SENIOR GIRLS VOLLEYBALL

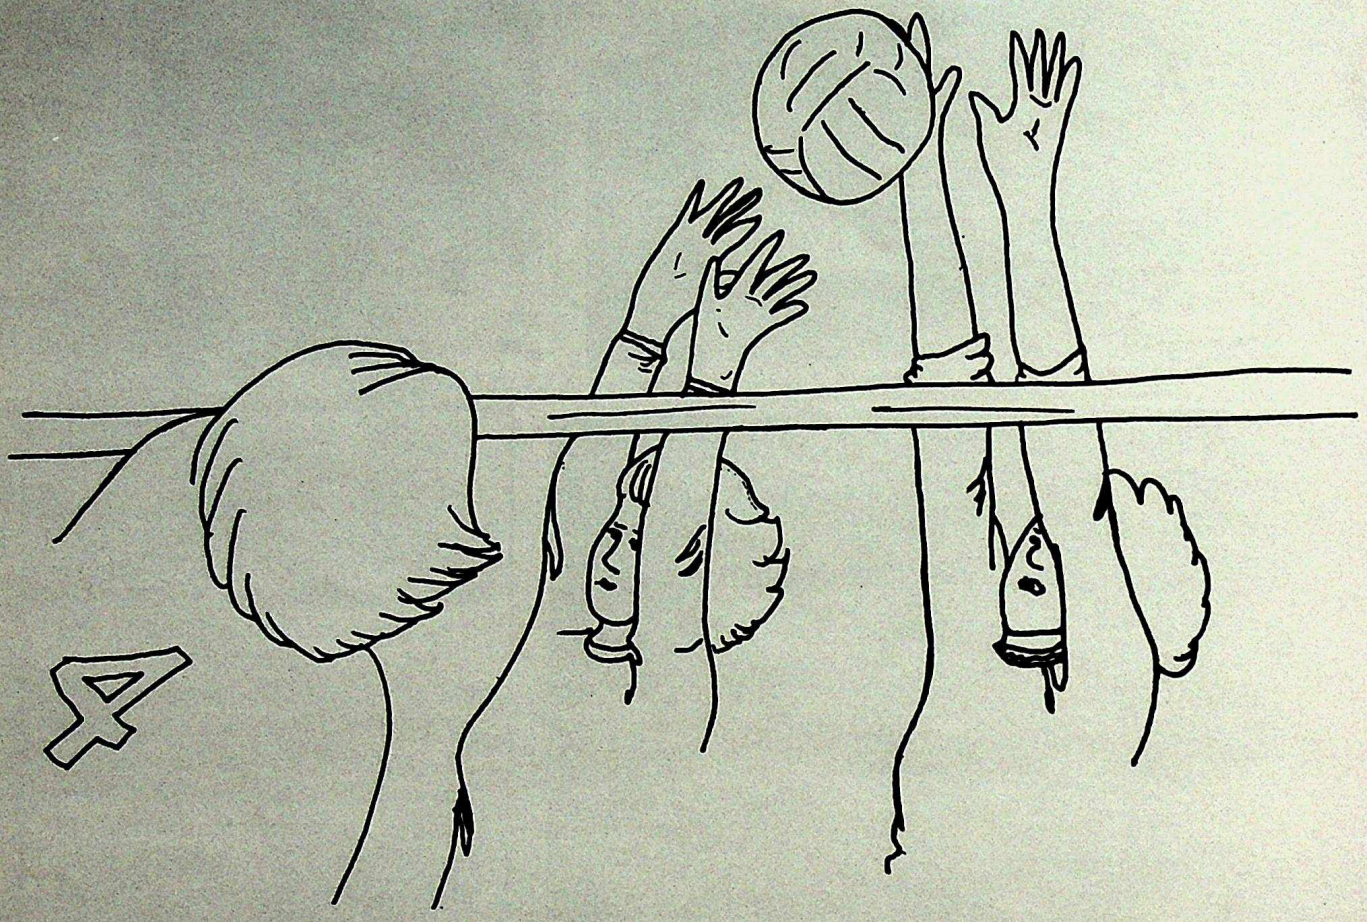


ALL-A-
ROUND
CHAMPS!



Senior Girls Volleyball '87 was a very successful year. In seasonal play, they finished second in the All City Championship and First in the 3A City Championship which qualified them to attend provincial Championships in Crowsnest Pass. In the Provincials, our team finished 3rd in their round robin to the two teams who were the eventual gold and silver medalists. All players worked hard and have good memories of the season which should last their lifetimes.

JUNIOR VOLLEYBALL

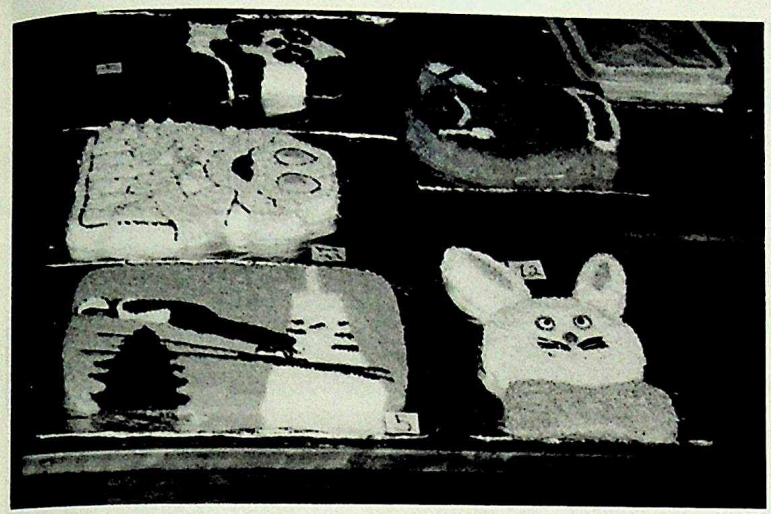


BOYS

Led by Kory Williams, Captain and Setter, and Jeff Carr and Curtis Gribble, attackers, the team finished the season in tenth place overall, the highest finish in three years. The boys lost to Ross Sheppard in the city semi-finals. COACH – Tim Hamblin.

GIRLS

The Junior Girls Volleyball Team had a slow start this season. However, they turned things around by the season's end and finished 5th in the City Division. My thanks to all the team members for a job well done. Mrs. Hayes (coach).



The annual Cake Decorating contest presented by the Foods 30 class once again showed the talent and originality of Eastglen students.

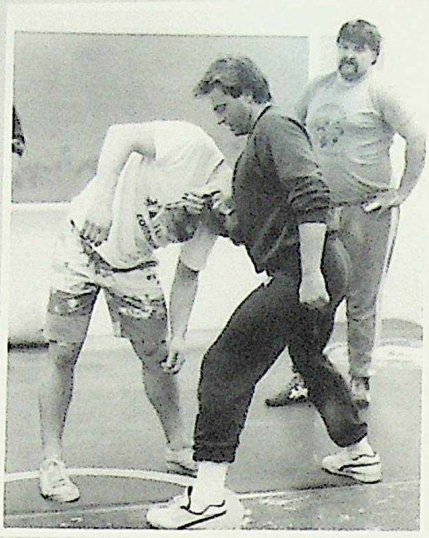
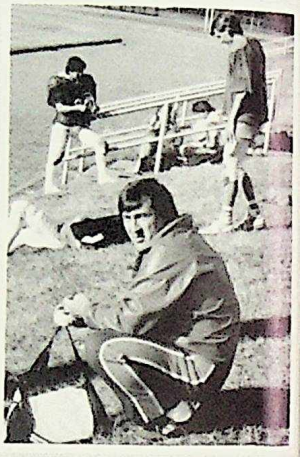
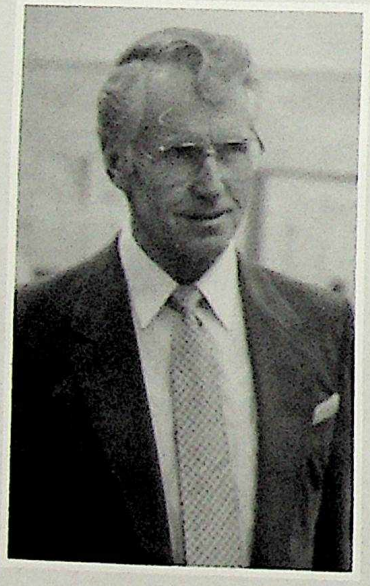
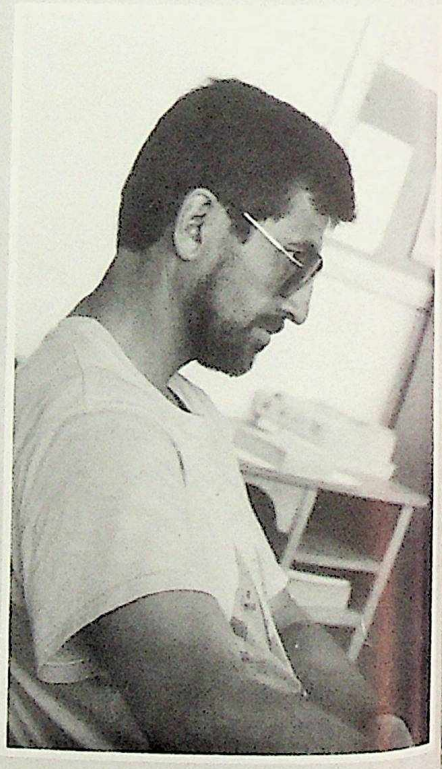
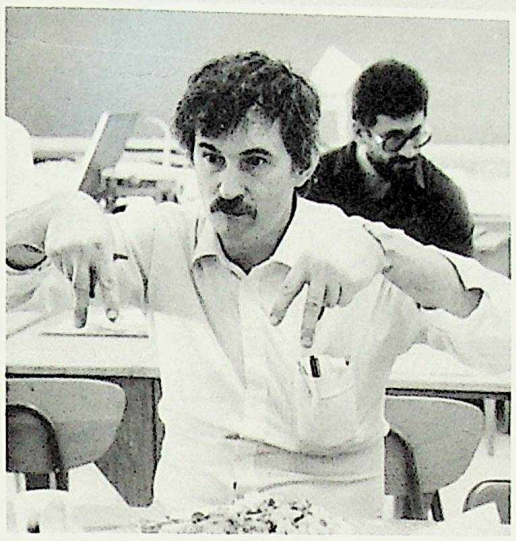
OUR HEROES

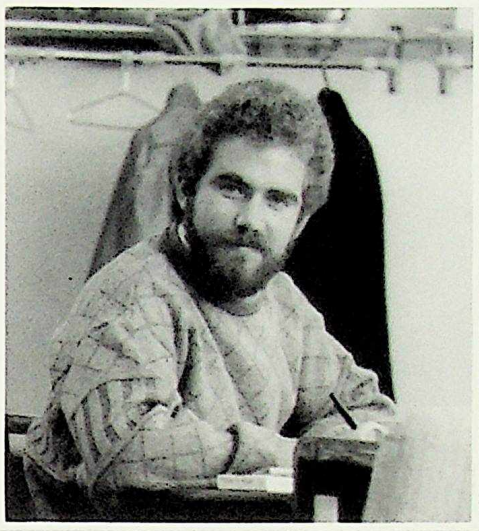


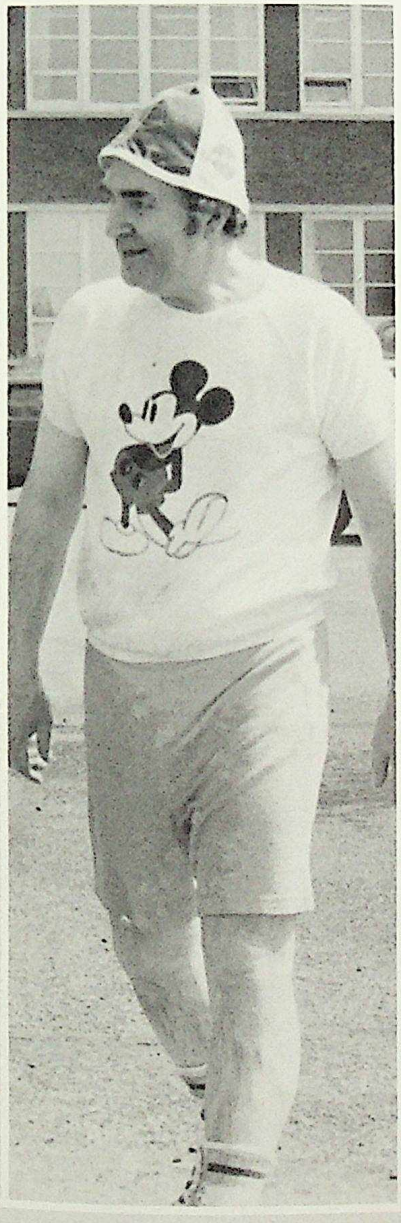


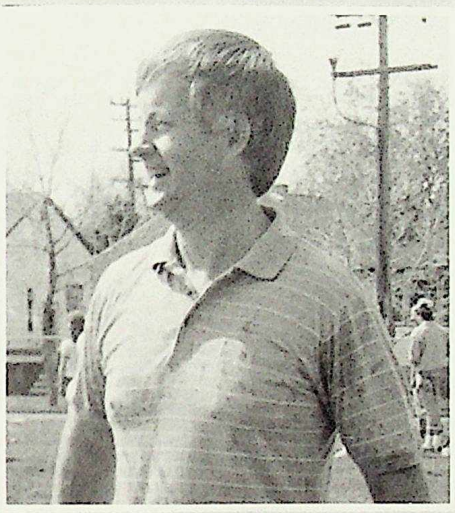


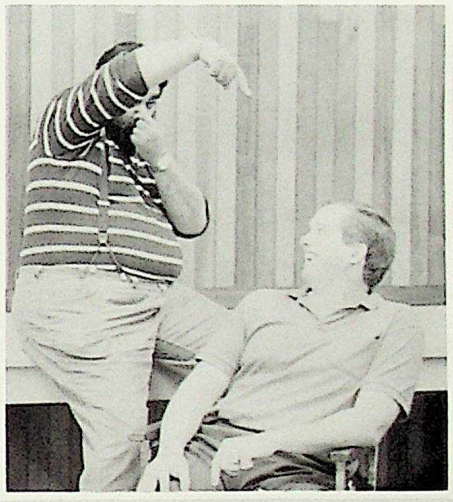












To the teachers of Eastglen:

It is only from your support, your ability to handle those moments when we make life difficult, and especially your caring hearts that we, the students of Eastglen, learn many valuable lessons. Thank you for putting up with our childish antics, our know-it-all attitudes, and our stubbornness. Thank you for believing in us through the hard times, when even we were ready to give up. Your strength, guidance and dedication will benefit us in the future.

We are grateful for the love and the laughter. Thank you for enjoying the people we are and please accept an apology for the lack of respect many students show.

YEAR BOOK

This has been an exceptionally difficult year for the Yearbook Club. We started the year with Kim Smolcic as our editor, and finished the year with Ronalee Zurawell in charge. Gremlins invaded the Yearbook office during the summer, destroying much of the hard work of Nancy Daneliuk, Lydia Koenig, Kim Smolcic, and Ronalee Zurawell. However, Ronalee pieced together what remained. Thanks, Ronalee, for your hard work and dedication. Without you, this Yearbook would not have been possible. T. Keswick, Advisor.

ECHO

The newspaper was compiled of about six hard-working people during 1986-87. With an editing staff of two - Shirley Hannah and Laura Vautour, and a writing staff of four - Jennifer Yurkewich, Leanne Martan, Mike Roth and Joe Delorme, we managed to produce three issues in four months. ECHO named its issues "Welcome to Eastglen Grade Tens", "Halloween" and finally "Christmas". In each issue we managed to include a sports section, major current events, an entertainment section and of course a section that the students could write or draw for. Although the ECHO was in newspaper form, we didn't charge for it, and finally, in January, with the staff deflated to three, the co-editors resigned. It was taken over in February, by Angie Wing and Jeff Gill, but unfortunately in the final four months no newspaper was produced. Thank you very much to Mr. Vass, who was our teacher supervisor (and a very good one at that).

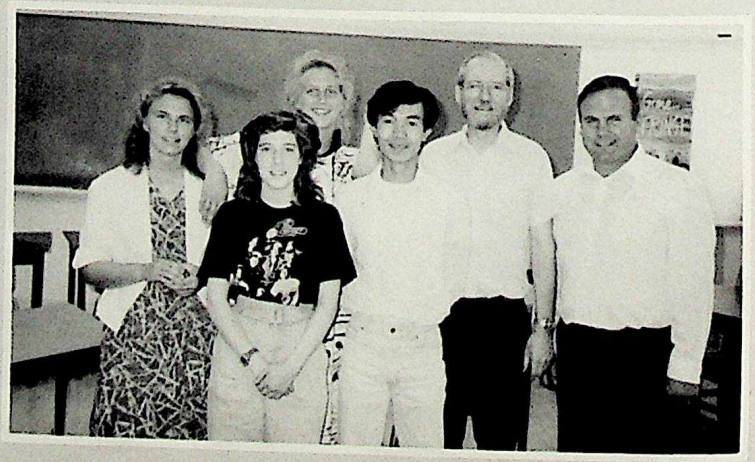
LITERARY MAGAZINE

June, 1987 saw the first issue of a new student literary magazine called Eaglnest. It shows the writing and artistic talents of Eastglen students in numerous poems, short stories, and drawings. The magazine was sponsored by Mr. R. Cockell and Mr. G. Hughes, and Norman Ripley was the editor. Many students worked hard to produce this first edition and they can be justifiably proud of it.

Other members: Lyndell Pearson, Laurie Smith, Cherie Henderson, Clay Haman, Cheryl Slywka, Ronnee Wilson, Diana Loehde, Dale Davies, Frank Mah, James Cockell, Adrian Stansfield.

PHOTOGRAPHY CLUB

The Photo Club labors very hard each year to produce photos of student events for the yearbook and other purposes. This involves being at dances, games and other activities to take the pictures and also involves long hours in the darkroom to do the printing and developing. In particular, Lydia Koenig and Nancy Daneliuk gave a supreme effort this year. The sponsors were Mr. Dahl and Mr. Cockell. Other members were Lori West, Bill Ade, and Johnny Lieu.



1986-87 was a building year for Cheerleading at Eastglen. We expanded our repertoire, raised money for new uniforms, and hosted the '87 City Championships. Academic commitments limited us to cheering for football teams in the fall and the basketball team for only part of their season. We entered several competitions, and hosted a visiting basketball team from Grande Prairie at the Vic Redman Invitational. We're definitely on the way to more and better things in '87-'88.

MEMBERS: Sonia Brytan, Gillian Mah, Tracy Takacs, Lisa Richardson, Colleen Shepherd, Donna Forfylow, Christy Smolcic, Shauna McDougall, Laurie Smith, Corilee Windsor, Mrs. Svarich (coach).

CHEERLEADERS

DRAMA CLUB

The Eastglen Ski Club members enjoyed two excursions to the mountains this year. On the first weekend in December, 40 students and teachers travelled to Banff to hit the slopes. The second trip was held in March when another bus load of skiing enthusiasts returned to Banff to enjoy some beautiful, sunny, warm, spring skiing. Thanks to Mr. Swanson, Mr. Toews, Mr. Kulka, Mr. Hamblin and Ms. Boisvert, who supervised these trips.

Once again the bookstore was run by "competent" students, without whom we could not get our daily fix of junk food. Thanks to Mr. Morrissey and the staff for their "hard" work.

SOCIAL BOARD

The Social Board, an arm of the Students Union, is responsible for the organization of social activities, such as dances and the spring carnival, which are run by the students. Thanks to Colleen Andriats for her leadership and organizational talents in making the year a success. Mr. Cerhit, Advisor.

RIFLE CLUB

Eastglen is fortunate in having a rifle range in the basement. During the cold weather, the range is in operation once or twice a week. In addition to Eastglen students, many students from Junior High Schools, especially Rosslyn Junior High, use the range. Mr. V. Cerhit, Advisor.

EXCHANGE STUDENT

MICHAEL NOSS - W. GERMANY

During the '86-'87 school year, we at Eastglen were fortunate to enjoy the company of another exchange student. This year's visitor, Michael Noss, hails from WEISBADEN, WEST GERMANY, and had the pleasure (?) of staying with GUY PATERSON. During Michael's three month stay, he went to Expo, the Rockies, and of course "the mall". One of the things which impressed him the most, was the relaxed teacher-student atmosphere, and the easier ciriculum. This spring the two will meet again, when Guy travels to visit Michael's home town of KRONBERG. We hope Michael enjoyed his stay as much as we enjoyed having him!

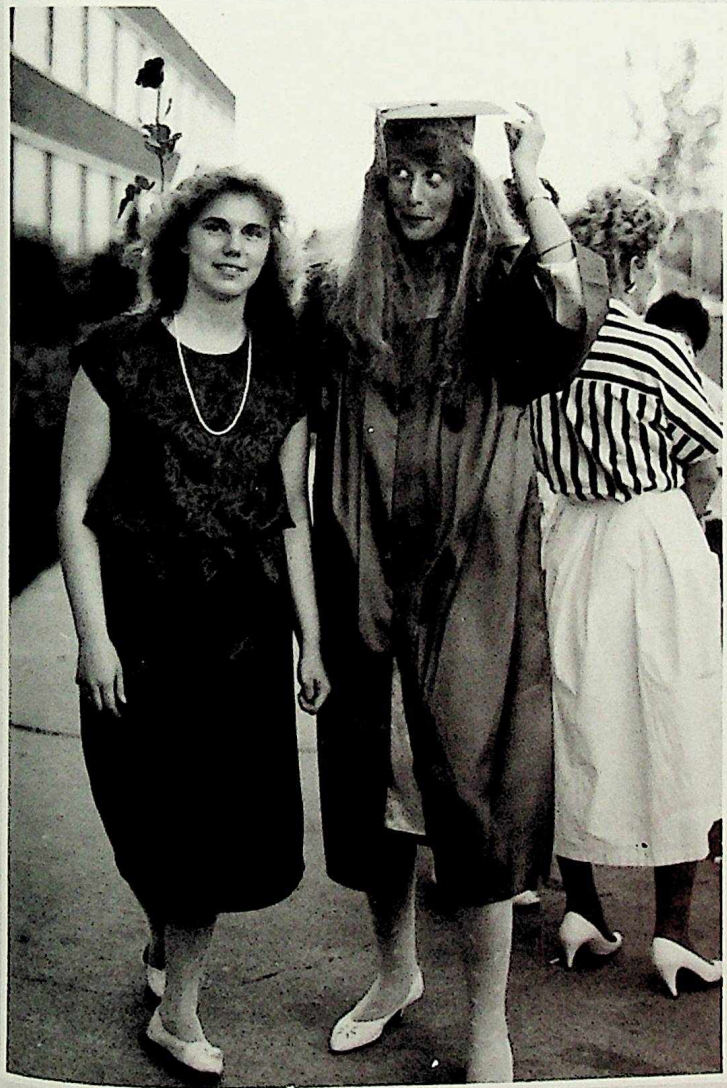
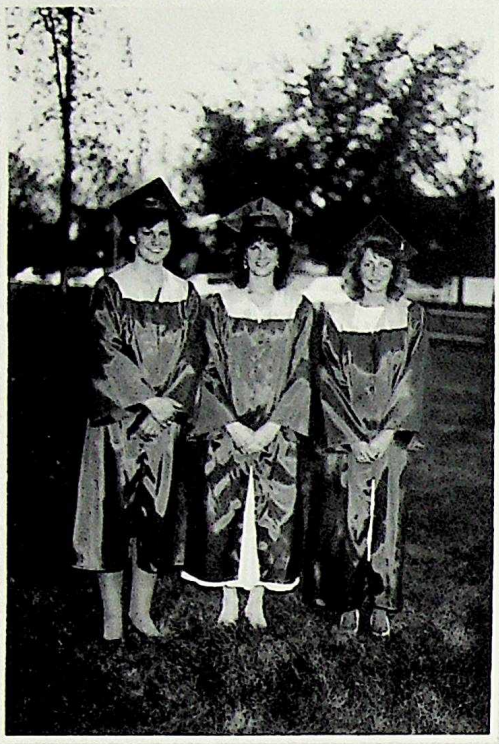
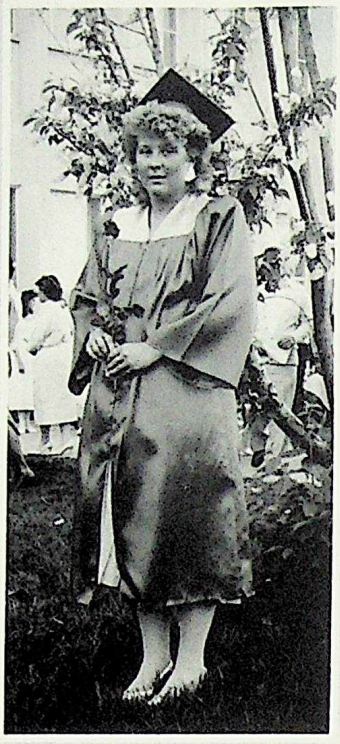
Packing up the dreams God planted, in the fertile soil of you; Can't believe the hopes he's granted, means a chapter in your life is through. But we'll keep you close as always; it won't even seem you've gone, 'Cause our hearts in big and small ways will keep the love that keeps us strong.

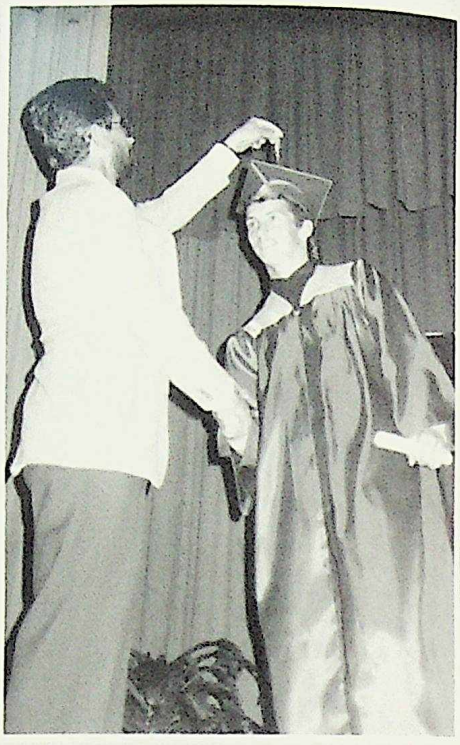
And friends are friends forever, if the Lord's the Lord of them. And a friend will not say "never", 'Cause the welcome will not end. Though it's hard to let you go, in the Father's hand we know, that a lifetime's not too long, to live as friends.

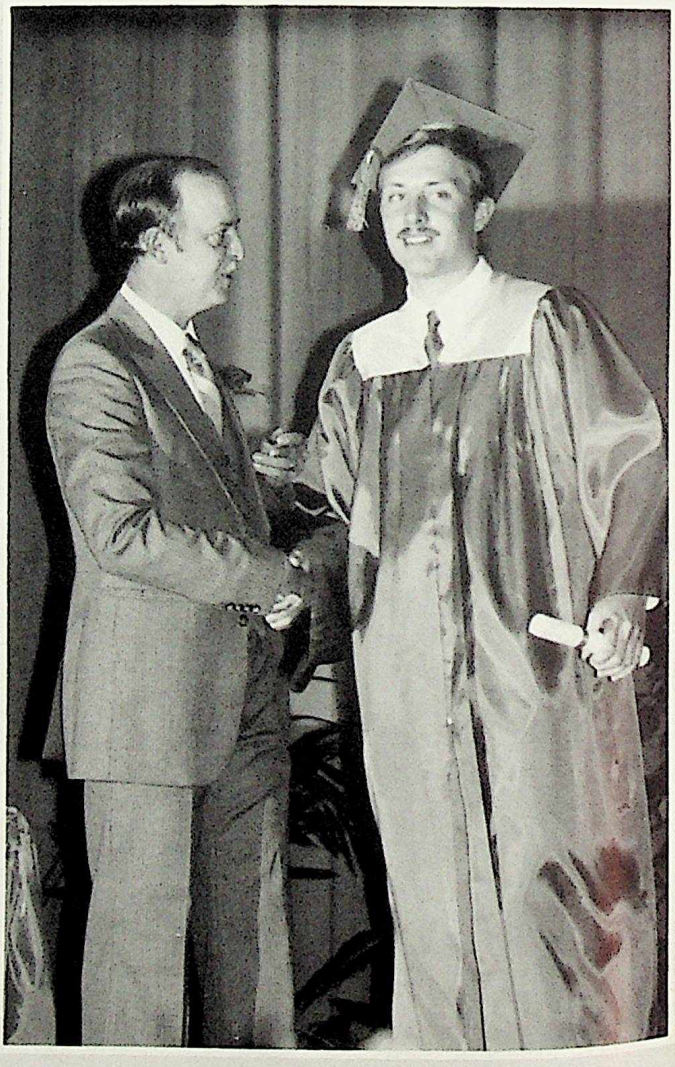
With the faith and love God's given, springing from the hope we know, we will pray you a joy you'll live in, is the strength that now you show. We'll keep you close as always; it won't even seem you've gone, 'Cause our hearts in big and small way, will keep the love that keep us strong.



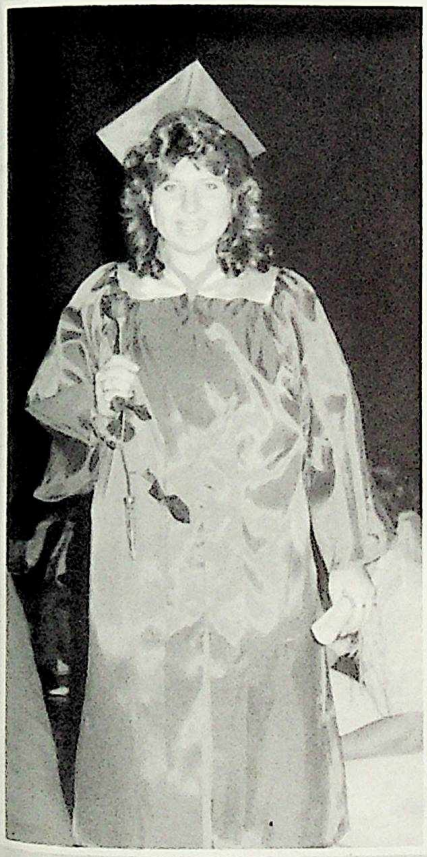


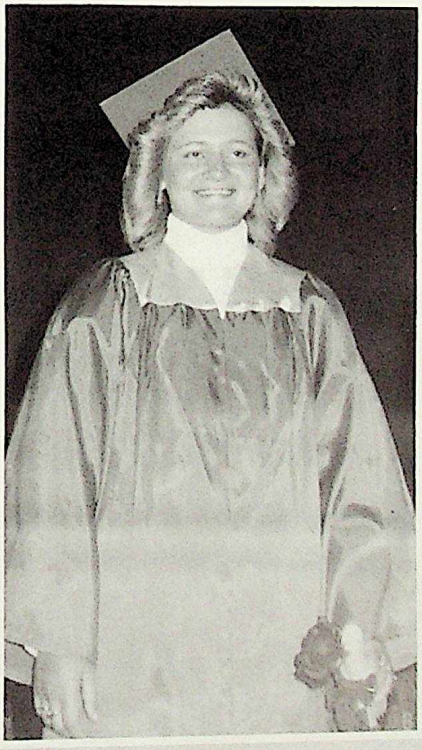


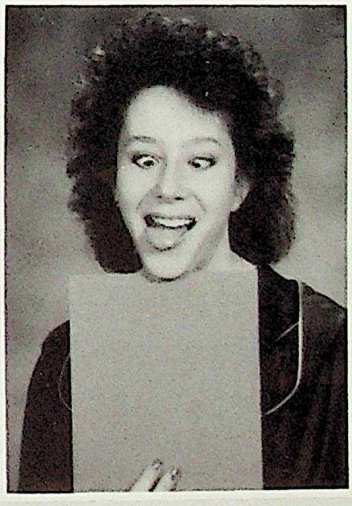


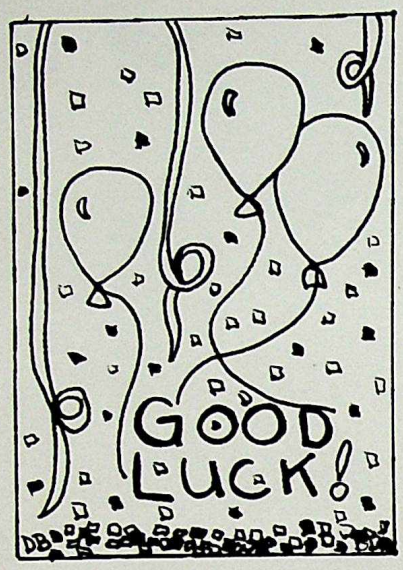


Many thanks to Mr. Hughes and Mr. Burrows for their much needed help and advice in making our Grad a success.









YOU ARE A PERFECT FRIEND

You have known me in good and bad times;
You have seen me when I was happy
and when I was sad;
You have listened to me when what I said
was intelligent and when I talked nonsense;
You have been with me when we had fun and
when we were miserable;
You have watched me laugh and cry;
You have understood me when I knew what I
was doing and when I made mistakes;
Thank you for believing in me and for
always being ready to share thoughts together;
You are a perfect friend.

GRAD CLASS PRESIDENT

Being part of Grad 1987 has given me some very special memories which I will always cherish. It has given me the opportunity to meet many new friends and encounter a variety of new experiences.

This night is but another stepping stone in our lives and we will encounter many more. We will never forget our high school years, all the hard work, and all the wonderful friends we have all made.

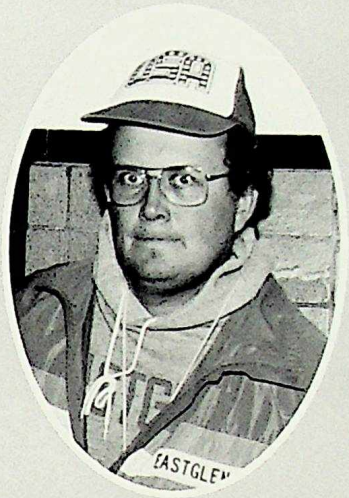
Our thoughts on this graduation night are extended to two of our friends, Guy Paterson and Patti Melnyk, who are away on exchange programs. I'm sure they'd like to be here with us.

I'd like to take this opportunity to thank some very important people who have helped Grad Class throughout the year. Mr. Burrows and Mr. Hughes, our Grad advisors, who we could never have done without. Mrs. Dyanavich, who was Mr. Hughes student teacher, designed and helped sew our beautiful banner, and last but not least, the grad committee who have put a lot of time and effort into making these nights of May 14th and 15th possible.

I hope this evening will hold many special memories for the graduates. I wish them all the best the future has to offer, and a very safe grad.

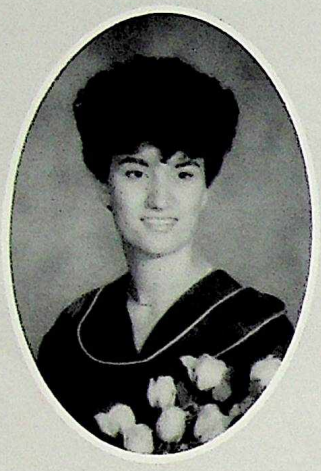
Crystal Pacholok.

HONORARY GRAD PRESIDENT



Good Evening Ladies and Gentlemen.
I received a letter from Lori Clark, our Grad banquet Chairperson, asking me to speak tonight for about 15 minutes, and make it *interesting! "Interesting":* Lori seems to forget that I'm a Math teacher. *15 minutes!* This had me worried. I was nervous. Where am I going to get a 15 minute speech? The answer finally came to me. I would borrow one of Mr. Probert's *1 minute* speeches. I knew that with some careful trimming and editing, I could squeeze it into a 15 minute time slot. The theme for our 1987 graduating ceremony is "Friends are Forever". I was asked to first reminisce with some previous Honorary Graduation Class President's messages, as well as some past Grad themes. So here is a brief trip down memory lane.
1954 was the year of Eastglen's first graduating class. The message from Mr. Cotsman, a Science teacher, was, (and I quote), "Knowledge and experience will help you meet the challenge of everyday living".
Enter the 60's - Graduation themes gained popularity.
1961 - Rhapsody in Blue
1962 - Stairway to the Stars
Ah, 1968! The theme was 100 + 1, as those students had just passed through our nation's centennial year. A young Math teacher stepped up to the podium as honorary Grad Class President. I simply don't have the time to read this young man's message. I'm sure you'll understand why not, when I tell you that he is now our Principal! I did, however, pick out some key words from that speech.
"Cursory, egoist, altruistic, dissasociate, pseudo-synonyms" Ah yes, words to live by! (sorry Probe)
1973 a young Social Studies teacher entered the spotlight. All of his fingers did bend at the time! This man was, and is, a powerful speaker. He holds the record for the number of appearances as Honorary Grad Class President. I would like to quote from his speech.
"I will sleep on long sandy beaches"
"When I'm hungry, I'll eat the fruit from the trees"
"I will drink only from the puddles untouched by human hands" Keep this in mind as you search for your puddle!! (sorry Parm)
Enter the 80's
1980 - The theme was "Looking for Space"
1985 - "Forever Young"
Finally we reached 1987. "Friends are Forever".
One of your most important acquisitions during your stay at Eastglen has been your friends. You have grown together, and learned from each other's mistakes and triumphs. You watched as a friend was knocked senseless on a football field, only to get up and try even harder. You watched as a friend worked countless extra hours to prepare for this very night.
The sad truth is that in a month from now, you will lose contact with several of the friends that have touched you at Eastglen. Do not, however, forget the lessons that these friends have taught you and your friends *Will* be forever! Use these lessons as your tools to tackle a very complex future.
Remember the important lessons. Hard work is important. The world you are about to enter has no room for laziness! Perserverence is important, no matter what your goals may be. The world you are about to enter has no room for quitters!
I can think of a lesson that I myself learned from two friends at Eastglen this year. For the first time in my 12 years at Eastglen, Mr. Tychon and Mr. Curtis lost 2 of their 3 football games. It's all over, Tych! You're history, Bud! They practiced that team longer and harder than ever, and took them to yet another City Championship game. Of course, this story would be a whole lot better if they had won! Here is a lesson that I hope that I learned. Here is a lesson that *everybody* needs to learn. Without them as friends, what would I have learned?
As you walk away from Eastglen for the last time, ready to meet new challenges and create new friendships, my best advice to you comes in the words of Emerson, who said that the only way to have a friend is to be one. You need your friends and they need you, in order to keep the process of learning alive. That's what friends are for. Friends *are* forever!
Ladies and Gentlemen, my *1 minute* is up. I would like to express my deep appreciation to the graduating class of 1987 for asking me to speak tonight. It is an honor that I will never forget. May your futures be every bit as wonderful as this, your graduating night.
Thank you.
Mr. Ken Kulka.

CLASS HISTORIAN



Good Evening Mr. Probert, Mr. Dymianiw, Head Table, guests, parents, teachers and fellow graduates. It is an honour to be chosen as the Class Historian for the Graduating Class of 1987.

It is hard to believe that this special night has finally arrived. Just three years ago we were preparing ourselves for the long-dreaded "Frosh Week". We will never forget our first few weeks in the school. Just trying to find our way around to the next class seemed impossible. But now, three yeas later, we are so comfortable with the school, that we may tend to forget that larger challenge that those going on to post-secondary institutions will face.

The duty of a Class Historian is to condense three hectic years of school activity into a brief presentation. Just trying to remember some of the events which have taken place has brought back some very pleasant memories for me.

Some of the memories to be remembered are: the clothing trends we went through, the ski trips to Vernon and Banff, Mark Sharenbroich, who gave us the talk on school spirit, the exchange student program which gives students from different countries an opportunity to share their cultures, the wonderful drama presentations, and last and definitely least, the Spring Carnival in Grade 10 which made Eastglen famous for stuffing fifteen students into a telephone booth. The feat may not qualify for the Guiness Book of Records, but it sure made us proud! Eastglen's firsts include the "Burn-out Contest" which was not necessarily condoned by the school administration, the Octoberfest, and of course, the Variety show which proved conclusively that there is plenty of talent in Eastglen - talent that goes well beyond playing catch and frisbee during Suntanning 13, 23, and 33 and Suntanning 10, 20, and 30 for those in the academic program!!

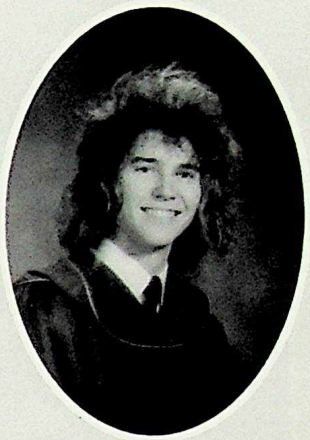
Our cafeteria was FINALLY renovated! Right Tych? The grand opening was celebrated by having a Pancake Breakfast, hosted by the Grad Class. A special note of thanks to the teachers who did a very capable job in cooking.

As for sports, we will always be able to remember our school's achievements by just looking at the many trophies and medals won by Eastglen athletes. All our teams were winners, no matter what the final score turned out to be. One of the proudest moments of our athletic program was when our water polo team won the City Championship.

In closing, I would like to take this opportunity to indicate the direction in which Eastglen school appears to be heading. For the past number of years, the population of the school has been on a downward trend. Each year would see fewer and fewer students enrolling in Grade 10. I am very pleased to announce that this trend is reversing. Expectations are that, commencing in September, enrollment at Eastglen will be on the rise. This reversal can be directly attributed to the school administration and the student body. Academic achievement skills at Eastglen are at least equal to, and in many instances better than, the largest schools in the city. The word is getting out! Eastglen is one of the finest schools in the city despite its small size and I personally am very proud to say the "I went to Eastglen". Special memories that we all have create a bond that enables us to be "FRIENDS FOREVER".

Thank you!!
Lori Clark

CLASS PROPHET



Good evening Ladies and Gentlemen, Distinguished Guests and fellow Graduates.

I stand here before you tonight with the dubious honor of Class Prophet.

I must say I was very surprised to be given the chance to present this speech to you, but let me tell you, finding a device to see into the future was not an easy task.

I didn't know what to do, so I went to see Mana Zanello. But her magic Pizza Plate was being used -- for a pepperoni and pineapple. So then I went to see a man who is a world traveller, very intelligent, loved and respected by all -- Bub Slug. But he was busy in some play so could not help me. I was hopelessly lost! I didn't know what to do. But then it came to me, . . . in a dream.
A vision of the "Gold Box" lost in a wilderness.
So I travelled through the deepest darkest jungles of South America, searching for the lost city of Kahlua!
After minutes of searching I stumbled on the ancient statue which contained "The Gold Box". Now, I must remind you tonight, ladies and gentlemen, that the box and its contents have been around since the dawn of time. And to use the "Super Duper Astro-Travel Allsight Device", I must go through an ancient ceremony, which is as old as the hills, in order for the instrument to see into the future.

I present to you two gentlemen, Chris and Ralph, who will assist me with this ritual. Gentlemen.

(Two well dressed young men carry a paper box, wrapped in yellow birthday paper, on top of a make-shift gurney (minus the wheels) up to the podium where I take the box. I duck down behind the podium and reappear slowly wearing huge "Elton John" sun-glasses and "beely-bobbers": MAJOR LAUGHTER.)

Prophet begins to speak: "I see . . . I see . . . Colleen Jacobs, with her own daycare business. It's very nice, she's got lots of toys, and a nap-tme area. And once in a while she even has a tea party. Unfortunately, these options are only available for Teddy Bears.

In my next vision I see Brent Downie and Glen Teghtmeyer dressed in three piece suits, carrying briefcases, on their way to work, as principal and vice-principal of Eastglen Comp. Next I see . . . NO! WAIT! This isn't the future . . . it's the past. I see Michelle Lee in grade 10 with the "She-Bop" look, in grade 11 it was the "Durran-Durran" look; and now it's "Marilyn Monroe". What's next?! Starring as Mrs. Savalas on the new Kojak Show! Now in the future I can see Rob Bradley. He's very successful now. He owns, operates, and "tests" his gel company. Next I see Dave Sadoway, wearing a green and yellow plaid suit, hosting the "All New Wheel of Fortune". Unfortunately, Dave, you are only getting minimum wage. Vanna gets all the big bucks. In my next vision I can see Jerry Boonstra who has gone to a monastery and become a T.V. evangelist. Because he thought it wasn't enough money, he started the CHSC - "Christian" Home Shoppers Club."

Now I see Crystal Pacholuk and Darcy Herity sipping tea in Buckingham Palace. They are Lady Di's "personal fashion advisers." I can see someone racing down a mountain, the person is going extremely fast. Now the person is holding a large trophy. The trophy plaque states "WORLD CUP DOWNHILL - Canada -- Brenda Agnew". Unfortunately, she still has a little trouble with the lights.

I can sense that the power is fading from the beely-bobbers, so this concludes my foresights (remove glasses and beely-bobbers). From this "lighter" side, I would like to say that neither I nor anybody I know can really see into the future. Life is not a "silver platter" and we must work hard to succeed. But I know, we the graduates of 1987 can fulfill all our dreams and goals.

I want to thank everyone who voted for me, and everyone who helped me write this speech. I want to especially thank Chris and Ralph for being such good sports and I wish all the best to my fellow grads in their future endeavours.

Thank you and have a good evening.
Greg Clinton.
